

COMMENCEMENT PROGRAM
OF ELDRED HIGH SCHOOL,
ELDRED, NY, FOR 1938

Note from the publisher

We at Between the Lakes Group are happy to make this Item of New York State history available.

After contemplating this bit of ephemera – only four pages – for a while, we concluded that it would be of interest to very few, but to those few it would be of considerable interest, so we decided to go ahead and make it available.

Totally lacking in pretense, here is the graduation program for the eight graduates of Eldred High School that year. It was the 10th commencement Eldred High School would conduct, and there would not be many more to follow.

We at Between the Lakes Group are in the process of publishing more historical information about the New York State (and other locales) from a variety of sources, all old, out of copyright, out of print, and much of it very scarce and difficult to locate. We invite you to examine both our material available for download (like this yearbook) and our CD-ROMs – your purchases of which make it possible to continue to collect and republish this material for you.

A full catalog of our offerings can be found at our main website, <http://www.betweenthelakes.com>. We invite you to visit us there.

Meanwhile, enjoy this bit of New York State history!
